

DF Stackable Cable Reel

Product number: 990717

Product Overview

The DF200 is a DF stackable reel made from durable PP material, which can easily be operated by one person to quickly deploy cable. The fully-enclosed winding reel provides excellent protection from drops and knocks, and can be stacked vertically or horizontally, or hung for easy transportation and storage. It can easily store 100 meters of 7.0mm(OD) CAT cable or 200 meters of 5.0mm (OD) fiber cable.

Product Features

- Designed for repeated mobile cable deployment.
- Internal bearing structure and retainer can be operated by a single person.
- Unique outer design allows it to be stacked vertically, horizontally or hung on racks.
- Fully-enclosed winding reel is safe from drops and knocks.
- Custom information for handwriting or laser-printing.
- Suitable for optical fiber, CAT cable, audio cable, video cable, etc.
- RJ45, HDMI, BNC and XLR connector docking points are reserved and also can be applicable with BH03 connector protectors.
- Suitable for 100 meters of 7.0mm(OD) CAT cable or 200 meters of 5.0mm(OD) fiber cable.
